Continuar

Y se creo tu
cuenta en AWS

The screenshot displays the AWS Educate homepage. At the top, the navigation bar includes the AWS Educate logo, links for 'Cursos y laboratorios', 'Empleos', 'Emerging Talent Community', and a user profile for 'Jhon Huaman'. The main banner features the headline 'Su traspaso a la nube comienza aquí' (Your migration to the cloud begins here) and a subtext: 'Sea cual sea su objetivo, hemos recopilado el contenido más útil para que mejore sus habilidades en la nube.' (Regardless of your goal, we have compiled the most useful content to improve your cloud skills). Below the banner, a 'Filtros' (Filters) section on the left lists categories like 'Características del curso', 'Habilidades', 'Nivel', 'Duración', and 'Idioma'. A search bar with the placeholder 'Búsqueda de cursos mediante palabras clave' is positioned above the course cards. The 'Introducción' (Introduction) section, marked '1/3', displays three foundational course cards: 'Introduction to the AWS Management Console' (1 hour), 'Introduction to Cloud 101' (3 hours), and 'Getting Started with Storage' (2 hours). All three are categorized as 'Foundational' and 'Cloud Computing'. A right-hand sidebar titled 'Explorar' (Explore) offers 'Más información sobre AWS' (More information about AWS). The footer contains links for 'Preguntas frecuentes' (Frequently asked questions) and 'Contacte con nosotros' (Contact us), along with copyright information for 2026 Amazon Web Services, Inc.

¡GRACIAS!
